

Notification of Precautions

_____ is being removed from _____ RYDC to your care. We would like you to be aware that this youth has been determined to be at increased risk of self-harm, and is currently being maintained on precautions at the facility. The youth is currently on:

- Close Observation
The youth is believed to be at serious risk, and is being watched constantly by staff.

- Special Observation
The youth is believed to be at risk, and is being watched more intensively by staff.

We recommend that the youth be monitored closely to prevent self-harm and receive follow-up psychiatric care as soon as possible.

Thank you,

Social Service Provider
