

### GED Parental Consent Form

<b>Student's Name:</b>	<b>DJJ ID:</b>
<b>Date of Birth:</b>	<b>Age:</b>
<b>Facility:</b>	<b>Phone Number:</b>

I consent for \_\_\_\_\_ to be enrolled in Georgia Preparatory Academy's General Education Diploma (GED) Program.

The GED Program is designed to help students pass the GED Test. In order to pass the GED Test, a student must pass a series of four tests: Reading Language Arts, Mathematical Reasoning, Science, and Social Studies. Successfully passing these sections demonstrates that a student has acquired a level of learning that is comparable to that of a high school graduate's diploma. After passing the GED Test, \_\_\_\_\_ would be awarded a high school equivalency diploma/GED (General Education Diploma).

Further, my signature below indicates that I understand that \_\_\_\_\_ will not be enrolled in a course of study that leads to a state high school diploma.

Upon being admitted into Georgia Preparatory Academy's General Education Diploma (GED) Program, I \_\_\_\_\_, parent of \_\_\_\_\_ understand that my child will be withdrawn from receiving Special Education Services, such as any academic modifications and accommodations that may be included in his/her Individualized Education Plan (IEP).
