

Hair Care Services Sanitation Inspection Report

Before Hair Care Services Are Provided:

- Floors are swept clean of hair clipping
- Garbage and trash is stored in a covered, washable container and is removed at the end of the barber/cosmetologist's tour of duty
- Hot and cold running water and paper towels are available in the area used by the barber/cosmetologist
- Used cloth towels are placed in covered, washable containers until they are laundered, and removed at the end of the barber/cosmetologist's tour of duty
- Sanitary paper neck straps are available for use
- Shampoo bowls are thoroughly cleansed
- Tools are accounted for and stored in a disinfected, dry, covered container
- Chemicals are accounted for
- Tools are disinfected according to disinfection standards
- Floors, furniture, counters and appliances are cleaned and sanitized with a disinfectant solution
